Minister's letter

I have voted in every general election since I was old enough to vote, and always encourage my congregations to exercise their democratic responsibilities. But I am afraid I may be prevented from voting in future. Let me explain.

As part of one of the measures announced in the recent Queen's speech, the government is proposing to require photographic identification before voting. My passport expired some years ago, and as I have no intention of ever going abroad again, I have not renewed it. My only photo ID is my driving licence. At some point in the future, either off my own bat, or on the advice of my doctor or optician, I shall hand in my licence. Thereafter I will no longer be able to vote. But I hope I will still be in possession of sufficient mental faculties to form an opinion on political matters.

I don't anticipate this will be a problem for the younger generation, most of whom seem to require photo ID for their job or education, and have it round their neck in a plastic holder nearly all the time. But this is the generation that seems less likely to exercise their democratic responsibilities. If they reach the polling station, and find they have left their ID at home, will they be bothered enough to go home and get it, so they can vote?

However, there must be many older people who have never held a driving licence or a passport. Are they to be disenfranchised as well? I do hope that those organisations which represents senior citizens will be campaigning on this issue.

The worst thing about this proposal is that it is a solution without a problem. There are very few recorded cases of people deliberately breaking electoral law, and impersonation at a polling station is almost non-existent as a recorded offence. There is no tradition in England of systematic attempts to rig elections. Anyone trying to swing even a marginal constituency would need to recruit several thousand corrupt people, and it is hardly likely that such a conspiracy could be kept secret. And if one or two individuals manage to vote when they are not entitled to, or pretend to be someone else and vote for a second time, what's the problem? It isn't going to affect the result of the election.

On reflection, I think this proposal represents indirect discrimination against the elderly, because they are less likely to have photo ID than the rest of the population. So I hope that if the government fails to see sense and withdraw this proposal, someone will take them to court on that basis. *Ian Parker*

Going Green Gracefully No. 9

Keeping things out of the bathroom bin.

Did you know disposable razors and razorblades can be recycled? I didn't until recently, but then I don't shave. How does it work?

1. Collect any brand of razors and razor blades at home.
2. Order a prepaid envelope through the Gillette® website (it will arrive within 2-3 weeks of your request)
3. Place your disposable razors and razor blades inside
4. Post your envelope to send it for recycling

You can request 4 envelopes per year, and each envelope can hold a maximum of 16 razors and/or razor blades. All the razors we receive will be turned into new products!

Most toothbrushes have plastic handles. Before the lockdown there was a bin at Sainsbury's in Cockermonth where you could leave them for recycling, but in view of revelations about how little of the plastic collected in this country for recycling actually gets recycled here, you might want to try the alternatives with bamboo handles. If anyone knows of any shops locally that stock them let me know; I order mine online from Natural Collection, but there are several brands, and lots of online suppliers. When you've finished with it, pull the bristles out with pliers, and the bamboo handle can go in the compost bin, being biodegradable. I don't know how long they take to decompose; I'll find out when I next empty my compost bin.

I've mentioned shampoo before: if you use the solid type, it comes in a cardboard box or wrapper, which can be composted and recycled: one less dubious plastic bottle!

Another Brick In The Wall

The online crowd-funder for the project to rebuild the wall round Ennerdale Churchyard has now ended. Including off-line donations, the total raised at the time of writing is £5,108. The appeal is still open; to donate contact David Beak, parish treasurer (contact details inside front cover)

We are exploring options for grant funding, but potential funders will want to see there is good local support.

Martha Jackson writes

(Sadness, good friends, gardening, Covid-19! This month, Martha's article has it all, so sit tight and enjoy the ride!)

What a shame in Israel and Gaza, with all that bombing. Just realised that our Holy Land trip had been put off because of all the bombings round Jerusalem until everything quietened down and safe to go. I just think of all the killings and ruined homes and lives happening there now – Terrible in't it? Poor souls, those innocent ones. Pray for'em all.

Well, I had a very enjoyable ride round my old station at Mosser Gate with my dear friend. *(No, Martha's not an Australian, even though she says she hadn't realised that she'd called her childhood farm a station.)* Enjoyed it very much, but how things've changed – brought a lot of memories back've walking to school. When you come to think've it, it's over sixty years ago since I lived there.

Thanks Margaret'n ivrybody else who's visited and phoned, keeping me in touch wi't world, keeping me goin' – bless all your cotton socks.

I had my first grocery shop last week. Things've changed some'ow. I don't know'ow. Due to covid: no talking, no smiles. I will be glad when it's all over. But get yuh job, if you'ven't already.

Well, I've been doing a little bit'er gardening *(don't worry Dr Jones, I've been careful!)* keeping Bob's Blue

Poppies right. They're out in bud now, one or two showing their deep blue colour. Beautiful. We'd'ad a couple from Kew staying with us on a walking trip. When the wife saw'em, she commented to Bob, "Better than ours at Kew." Ever after, he'd keep saying, "Better than ours at Kew." And I just replied, "Big'ead!" Just as a

Bob's Himalayan poppy in bloom. joke, like. I was as proud as he wus.

Well, we just need some warm weather now to brighten 'em up. *(Just had news that Bob's poppies are doing well, out in bloom and going well, standing up, showing themselves off.)*

Just had a good old gossip wi'me cousin – an hour. So me fingers are a bit numb, but I enjoyed ivry minute of it.

Just to keep you up to date on't pheasant. Still in't garden. I tapped on't kitchen window and it looked up – knowing, like.

See you! All the best.

Martha Jackson

Ennerdale Horseshoe Fell Race

The annual Ennerdale fell race is due to take place this year on the 12th June.

The event start and finish is from the Ennerdale Scout Camp on the western shore of the Lake.

This years race is an **English Championship race** and we are expecting between 360 and 400 runners.

The race parking and route is outside of the village and we hope to inconvenience the community as little as possible.

If anyone has any objections or comments please email me at Colin@berrison.com.

All current Covid restrictions are being considered and adhered to.

**Notes of The Annual General Meeting and Parish Council Meeting
held on
Wednesday 19th May 2021 at 7:00pm in the Lamplugh Village Hall**

Present; Roger Braithwaite, Michael Watts, Ed Surman, and John Sloan (Clerk). Plus; Steve Morgan (Borough Councillor).

AGM MINUTES

1. Election of Chair; Roger Braithwaite was proposed by Ed Surman and seconded by Michael Watts. No other nominations were forthcoming and Roger Braithwaite was duly elected as the Chair.
2. The Chair (RB) and Clerk signed the Declaration of Acceptance of Office.
3. Apologies for absence; Sandy Roberts, Arthur Lamb, Gwynneth Everett and Rob Daglish sent apologies.
4. Minutes of the last Annual general/parish council meeting held on 20/05/20 were accepted and had been signed at the July PC meeting in 2020.
5. Resignations and co-options for 2020-21; Julie Whittaker resigned in 2020-21 and Richard Wilson resigned immediately prior to the meeting. There are currently five councillors and **6 vacancies on the parish council available for co-option.**
6. Election of the Vice Chair; Ed Surman was nominated by Roger Braithwaite, seconded by Michael Watts and elected without contest.
7. The Vice Chair and Clerk will sign the Declaration of Acceptance of Office.
8. The appointment to the following committees/groups was agreed:
 - a. Allotments Committee; Roger Braithwaite and the Clerk. It was decided to roll this item into the Annual parish meeting in the future and for an inspection to take place before that meeting.
9. The appointment as Trustees/Representatives to the following trusts/charities were agreed:
 - a. Florence Exhibition Trust; Ed Surman. This trust deals with small grants for further educational study available to parishioners.
 - b. Memorial Houses; Ed Surman. This trust looks at the upkeep and management of the memorial houses.
 - c. Lamplugh School Governors; Rob Daglish and Arthur Lamb (county councillor who is also a governor) were school governors but now that the school is an academy there is not a school governor role in the structure. Rob to advise at next PC meeting.

- d. Dr John Sherwen Charity; Roger Braithwaite is the representative for this group which provides small grants to parishioners in need.
 - e. Copeland CALC; Roger Braithwaite and the clerk.
 - f. Eskett Quarry Local Liaison Committee;TBA.
 - g. Regeneration NE Copeland; Sandy Roberts.
 - h. Lamplugh Village Hall committee; Sandy Roberts and Michael Watts (if Sandy is not available).
10. Appointment of Internal Auditor; Joanne Price has agreed to continue to act as internal auditor. Proposed by Roger Braithwaite and seconded by Michael Watts.
 11. The budget summary for financial year 2020/21 and the coming financial year 01/04/21 to 31/03/22 was briefly reviewed. The parish council is starting the year with £25.9k, around £15k being carried over as reserves from the previous year. The Clerk mentioned that the PC computer was getting progressively slower and may need replacement during the year.

**Notes of Parish Council Meeting held on Wednesday 19th May
2021 at 7:00pm in the Lamplugh Village Hall**

Present; Roger Braithwaite, Michael Watts, Ed Surman, and John Sloan (Clerk). Plus; Steve Morgan (Borough Councillor).

1. Sandy Roberts, Gwyneth Everett, Arthur Lamb and Rob Daghish sent apologies. There was a declaration of conflict of interest from Michael Watts relating to the grant allocations as he is a member of Ennerdale and Lamplugh Parochial Church Council (potential grant recipient) and Roger Braithwaite also declared an interest in the planning item relating to the Winnah area, adjacent to where Roger lives. Richard Wilson tendered his resignation prior to the meeting and the parish council thank him for his time on the parish council representing the Winder area. There is a prospective new member but he was unable to attend the meeting.
2. The minutes of the previous meeting (No 340) held on 17th March 2021 were agreed and signed by the Chair.
3. Tasks arising from the Council meeting (340) held on 17th March 2021 were reviewed. The only item not on the agenda was the need for new parish councillors. The parish council is allowed 11 members but only has 5 at the present time.
4. The main items of correspondence to 19th May 2021 were reviewed and any of significance had been added to this agenda. The vast majority of any communications had related to the Covid pandemic.

- a. After the parish grants were discussed and allocated (5.f) cheques totalling ~£4,831 were presented for approval and signature; Cumbria payroll services, Lamplugh and Ennerdale PCC magazine entries, Big Foot Tree services (2020 landscaping), Rocketsites web host, internal auditor honorarium, CALC membership, SLCC membership, Clerks quarterly salary, Zurich insurance, 217 bus service and grants to Lamplugh sports committee, Lamplugh and Ennerdale PCC and the First Responders group. The parish council had received the annual precept of £10,838 (same as previous two years). The summary table for the schedule of payments and receipts was reviewed and signed by the Chair.
 - b. The fourth quarter audit had been arranged by the Clerk and the summary report was awaited to be reviewed by the Chair.
 - c. The completed forms supplied by the external auditors for the year-end finances were reviewed by the councillors, having agreed to a certificate of exemption; (1) Firstly the Annual Governance Statement was read and agreed, followed by (2) The Accounting Statements for the year, also read, agreed by councillors and was signed by the Chair. The Clerk will arrange to get the necessary ‘wet signatures’ from the internal auditor, required for compliance with the audit regulations and post the necessary financial information on the parish web site.
 - d. The end of year accounts were studied and the parish ledger will be signed off by the Chair and Clerk at a later date.
 - e. The parish council reviewed the three grant applications from parish groups. There were a lower number of grant applicants than in previous years and the councillors agreed to increase the amount allocated to each of the three applicants; Lamplugh and Ennerdale Parochial church council were awarded £450 towards the costs of grass cutting and equipment maintenance at Lamplugh church yard, Lamplugh sports committee was awarded £500 towards insurance costs and provision of medals and the First Responders group, who are starting up again, were allocated £400.
5. Public Participation Slot; Steve Morgan (Borough Councillor) noted that Copeland BC refuse collection service should now be back up to speed after suffering from a reduction in resources due to Covid. The Beacon Centre and the repurposed bus station are now open in Whitehaven. Copeland BC has met their financial deficit of £120k from reserves and have not increased the rates. A new defibrillator will be installed at Rowrah which may actually be located in Lamplugh parish. If the proposed local government reform goes ahead there will not be any local borough councillors in future, Ian Parker (vicar) noted that Church services will resume on alternate Sundays in Lamplugh and Ennerdale. He also mentioned that the Ennerdale church boundary wall (medieval in origin) is in need of repair, Councillors

suggested contacting United Utilities (the church backs on to the river Ehen) as a possible source of funding.

6. Landscaping; The contractor (BigFoot) finally submitted the invoice for the previous years work and has completed the first cut of this year. The contractor had also noted that there was a fallen tree at Crossgates that required removal, councillors instructed the Clerk to expedite the work in line with the contractors estimate.
7. Planning matters; Millfields development—s106 proposals; further virtual meetings between Copeland BC, the developer (Swift homes), Lamplugh village hall committee and Lamplugh parish councillors have been held with a view to coming to an agreement over the s106 for the Mill fields development. The developer has agreed a sum of £80k in place of building a second village hall at the Millfields development which will be made available to complete the building of the new village hall close to the site of the current village hall. As the village hall committee were in favour of this proposal Lamplugh parish council agreed to this solution (unanimous). Whilst this may not be the most equitable solution it is considered to be the most expedient at this point in time. The funds will be paid to Copeland BC who will hold the monies in escrow to be released when the village hall structure is built and watertight on condition that this is within 36 months of the signature of the agreement. Lamplugh PC will be consulted over the changes to the s106 terms and will review the terms before final agreement. Two additional planning applications had been sent to the parish council for comment, both relating to the same applicant and the same location beside the A5085 road close to Whinnah. Both are retrospective applications;

1. CHANGE OF USE FROM AN AGRICULTURAL SHED TO A MILK DISTRIBUTION FACILITY AND AGRICULTURAL STORAGE SHED (RETROSPECTIVE) LAND TO SOUTH OF WHINNAH COTTAGES, LAMPLUGH

2. CHANGE OF USE OF LAND TO PLACE 8 NO. SHIPPING CONTAINERS TO BE USED AS STORAGE FACILITY FOR FURNITURE & PART AGRICULTURAL PLANT/FOODSTUFFS LAND TO SOUTH OF WHINNAH COTTAGES, LAMPLUGH.

The original application was for an agricultural building but the building has been used for storage and redistribution of dairy products. The dairy products are brought to the site on large wagons with access and egress from the site being achieved by lorries performing three point turns in the A5086 and side roads. Councillors consider this to be an extremely dangerous practice on a busy main road with a 60 mph limit which serves as the main arterial route to and from Sellafield and the West Cumbria coastal areas. There are multiple such vehicle movements each day Monday – Saturday.

The use of the Shipping Containers is likely to result in further increases in traffic movements on and off the site in the future leading to a further increase in highway risks. It was also noted that no planning permission has been requested previously nor granted for the 8 storage containers which also rely on traffic movements to and from site

It was also noted that all of the vehicles pass in front of the oldest property in Lamplugh which is a listed building which could cause damage to the property and is causing increased noise and disturbance to the occupants.

Councillors thought that both of the applications were an inappropriate change of use from simple agricultural to commercial use and have introduced a very significant highway risk which has the potential to result in a potentially life changing and/or fatal accident. Councillors will take further advice regarding material objections and circulate a draft response between councillors before responding to the planning department.

8. Village hall; hope to start work by September.
9. Highways; following on from councillors reporting serious potholes on the road to fangs Brow and Kirkland leaps all holes have been filled—thanks to Arthur lamb for chasing this issue.
10. Parish website; Clerk will upload the recent agendas, minutes and financial audit documents once signed off.
11. School status; the school is now an Academy.

The next meeting will be a Parish Council Meeting held on the 21st July 2021 at 7pm at Lamplugh Village Hall

Lamplugh Parish Council members—for 2021-2022.

LAMPLUGH VILLAGE HALL

News

The new Village Hall

The Committee is delighted to report that the tender price submitted by Joe Nuttall, a builder from Millom, has been accepted. The formal contract is being drawn up by Ed Bushell the lead consultant and it is expected that this will be signed in early June. Work on the site is expected to commence in early September 2021 and to be completed in about 6 months. The National Lottery, our main funders, have approved the scheme.

The hall is currently open, subject to compliance with Covid restrictions.

Full details for all clubs, societies and their activities are listed on the Village Hall website.

For further details about any events or hiring of the hall, please contact Mark Stevens on 07543 876490 or by email at marklvh@yahoo.com. Check Hall availability on the website calendar – menu item 'Hire the hall'.

Events details, posters and updates can also be found on the website and on Facebook – tickets and reservations can be made by email to bookings@lamlughvillagehall.org.uk

Mother and Son walking home from school

Mum: what does everyone do in school first thing?

Son(aged 6): we do early work. Dot to dots, read the thing and answer the questions...only I just answer the questions cos' I don't want to read, and anyway if you read the thing, where's the challenge in answering the questions, you already know the answers. yeah much more challenging.

Mum: how do you find the answers though?

Son: I just make them up.

WHEN THIS IS OVER

When this is over,
may we never again
take for granted
A handshake with a stranger
Full shelves at the store
Conversation with neighbours
A crowded theatre
Friday nights out
The taste of communion
A routine checkup
The school rush each morning
Coffee with a friend
The stadium roaring
Each deep breath
Life itself

When this ends
may we find
that we have become
more like the people
we wanted to be
we hoped to be
and may we stay
that way
Better for each other

Specialising in Landscaping, Carpentry and Groundworks

We specialise in all aspects of Landscaping from natural stone patios to Granite sett driveways and raised deck areas to brick walls. We thrive on our reputation of being perfectionists, from the designing stage, using 3D imagery to give you ideas, all the way to the finished result. With an additional wide carpentry background and our new workshop we now offer an array of bespoke wooden structures. We are happy to give you a free full written quote and have a portfolio of great ideas. Our consultations will help you plan your garden, patio, driveway and other outdoor areas. Our bespoke service means that every site is unique and tailored to your requirements.

Our specialist portfolio includes: decking, tree houses, driveways, pathways, gates, fencing, patios, sheds, timber frame buildings, turfing, porches, footings, groundworks, brickwork, digger & driver hire, Roof and property cleaning.

Time to book your home exterior Spring Clean!

Professional roof and property cleaning

Not only can a roof covered with dirt and pollutants appear unsightly, a build up of moss can also cause damage to the tiles as well as constant blockages to your guttering system.

We offer a professional roof cleaning service, using different methods, dependant upon the type of roof tiles you have.

Roof cleaning can improve the health and structural stability of your home by removing moulds, stains, algae and moss.

Using 'soft clean' techniques, along with chemical sealants on your Roof, Walls and Patios, we can guarantee a professional finish
