Minister's letter

When I can, I attend meetings of both our local parish councils as a member of the public. I do this because I find it a really good way of knowing what is going on in the parish. Usually, our borough and county councillors also attend and give an update on what is happening in their authorities. Over the last 18 months, the department at Copeland Council which organises the collection of rubbish, recycling and garden waste has had a torrid time. To start with, social distancing at work regulations meant the crews had to learn a different way of working. Then the great increase in people shopping online meant that there was a huge increase in the amount of cardboard being recycled. Once the collection vehicle is full, it has to leave the round to be unloaded, and sometimes the round cannot be completed within the limit on drivers' hours. An additional vehicle was acquired to help with this situation, but the resources were still stretched to the limit.

Finally, the pandemic led to staff shortages, as crews were forced to self isolate. At the height of the pandemic we were very supportive of those working in the health service and in care homes. We also recognised our indebtedness to those who delivered food and other items to our homes. But did we ever spare a thought for the binmen? I can't ever remember thanking them for the very necessary job they do, not just when the sun is shining, but when it is pouring with rain, or the paths and pavements are icy.

At a recent meeting Councillor Steve Morgan informed us that the waste and recycling collectors have been subject to an increasing amount of abuse from members of the public they are trying their best to serve. I found this appalling. Let us try to acknowledge and support all those who have been working hard in difficult circumstances to keep services going during very difficult times, including the binmen.

Ian Parker

From the Registers

Baptisms: Otis Edwin Rowlands at Lamplugh on 28th August

Going Green Gracefully No. 12

“The greatest threat to the planet is the belief that someone else will save it”

How often do you change your underwear? This is a very impertinent and intrusive question, which I would not dream of asking face-to-face. And please don't send me your answers; I really don't need to know, but I do want you to ask yourself the question.

You see, it is suggested that we wash our clothes far more frequently than we used to or need to. 65 years ago, washing day was a major operation in our house. We had a basic washing machine, but everything from it used to be put through the ringer twice, once with the drip tray angled so the soapy water went back into the machine, and then again with the tray angled the opposite way (with a bucket to catch the water) after it had been rinsed in clean water by hand in the sink. Then it all had to be carried out into the garden, and pegged out on the line to dry. My mother had a habit of scrutinising intently a garment which had been worn and saying “That'll do another day.” Keeping things out of that week's washing was as important as cleaning the clothes that needed it. Washing day is now virtually extinct: as soon as there is a load for the machine, we throw the washing in, press the relevant buttons, and come back whenever to take it out of the machine and throw it in the tumble dryer. Some modern fabrics don't even need to be ironed.

Washing clothes is far too easy now, compared to the past, and many people wash garments when they've only been worn once, and perhaps for only part of the day.

One of the organisations which promotes more sustainable clothing has recently launched a campaign entitled “Dare to Wear.” They challenge us to wear our clothes several days in a row and only wash them when they are dirty. This saves water, saves energy, and means garments made from man-made fibres shed fewer polluting microplastics. (For many years I have had a theory that washing clothes makes them wear out faster – but I have absolutely no evidence for this.)

I have accepted the challenge. Let me know if I start to smell unwashed; it won't be me; it will be my clothes.

Martha Jackson Writes

(Martha seems to be aware that the world of holidays is opening up again and remembers, with fondness, her and Bob's last big holiday together)

Our last holiday together, and one we both really enjoyed, was in May, 2010, on a Mediterranean Cruise. Who'da thought? Two old folks like us, on a cruise. But we were both up for it.

We started early mornin' from Workington – 4.30..... AM!

We sailed from Southampton at 5pm – Evening – on the P&O Ventura. Big ship – some a hundred and fifteen thousand tons.

We'd checked in and a steward came to take us to our room. It was one with a balcony. Lovely views.

After settling in, we went to the Bay Tree Restaurant – the one we went to every night. Lovely meal. It'd been such a long day – travelling

all that way down country. I can now see why my son Martin and's wife Kathryn moved down south – not much travelling to go on holiday.

We spent much of the next day looking around the ship whilst we were at sea. Bought various items – as you do. I mind that Bob bought me something'ad allus wanted – a cross pendant – a silver one. Bob looked hard to find a good one – allus paid a good price for jewellery for me.

Anyway, he bought me a nice one. Not that I was ungrateful, it was a bit too big for me. Gave it to my grand-daughter Katy-Ann, in the end – just her size. After shopping we sat out on our balcony which we thought was great scenery.

That evening we attended the Ship's Officers Gala, where the Captain introduced all the ship's officers to us. Very interesting. Next day was at sea again, as we sailed on towards the Mediterranean. We spent time looking round the ship, exploring all the time.

Very smart, Martha. We attended a church service – you knew we would, didn't you? Service was nice. Very plain – not really like a full church service. But nice.

God Bless.

Martha Jackson

Thanks to everyone who supported the Setheria Brass concert in aid of the fund for St Mary's Churchyard Wall. It raised £287.49, and was in addition a most enjoyable evening of *Live Music*.

This is an invitation to anyone in the parish or nearby to meet at Kirkland Mission on Monday 11th October @ 7pm to create an organising committee for events to celebrate The Queen's Platinum Jubilee.

"Outline plans for Queens Platinum celebrations June 2nd 2022; a work in progress at present. The parish council had promised to budget for a £2,000 grant to pump prime to the organising committee...once it is formed. Ennerdale PC was considering possible events, ideally joint events between the parishes. Kendal Bruce had been proactive and already organised for a fell top bonfire on the Hows to be run by the young farmers. Michael Watts will contact all of the local groups to gauge the level of interest and hopefully to form an organising committee."

If you are unable to attend on 11th but wish to be involved please send an email to mbsmwatts@gmail.com or phone 01946 861856.

LAMPLUGH VILLAGE HALL

News

Since the last edition of Contact there has been major progress. Demolition of the current hall commenced after the August Bank holiday weekend and has now been completed. Joe Nuttall and his workforce are well advanced with the groundworks on site. The first site meeting with the builder and our Quantity Surveyor is scheduled to take place at the end of September.

While the new hall is being built alternative venues will be made available to regular and other users of the village hall. Please contact Mark Stevens whose details are listed below to arrange alternative facilities.

Full details for all clubs, societies and their activities are listed on the Village Hall website.

For further details about any events or hiring of the hall, please contact Mark Stevens on 07543 876490 or by email at marklvh@yahoo.com.

Christmas Fair at The Gather Saturday 20th & Sunday 21st November

Local crafters and makers come together to showcase and sell their wares.

West Lakes Music Centre are looking for new members.

Our **Windband** is about to resume rehearsals after an enforced layoff due to Covid restrictions. We are looking for more brass and woodwind players who are Grade 5 level or above. You may have met us at the Kirkland Mission or The Gather, when we have played concerts locally in the past.

Age is no barrier. We welcome all players, even if you haven't played for a while. Why not come along and meet us? Based in Egremont, at the Meeting Place on Main Street, we rehearse **Tuesday evenings, 7:30 – 9pm**, in term time. Our first rehearsal will be **Tue 28th September**.

For more information contact Cindy 07414 571946 or email me at tinny.beans4@gmail.com

Four footballers wrote these verses to be sung to the Match of the Day tune:

I want to be a Christian player, and join the Jesus team
I've taken Christ to be my Saviour my pitch is nice and clean
I want to play my best for Jesus, I'm glad I'm on his side
for he gave his best to save me when upon the cross he died.

And when the final match is over I know that we will win
because he died and saved me from my sin
And when the ref has blown his whistle and the final time is up
I shall stand before my Saviour to receive the winners cup.

Why not take Jesus as your Saviour and ask him to come in
He sees your need from up in heaven ,he died to take your sin
Why don't you take him as your captain? And he will be your friend

He will comfort, guide and keep you until you reach the very end.

Why don't you live for Jesus he's more than just your friend
He will always guide and protect you and on him you can depend
Just trust in him as he has promised he will never leave you
to be your constant friend.

Did you know:

- North West Ambulance Service (NWAS) answer 999 calls every 6 seconds!
- Approximately 100,000 suffer a Cardiac Arrest every year in the UK and about 30,000 are out of hospital. About 90% could be helped by early defibrillation - for every minute a patient is in Cardiac Arrest and there is no action taken, their chances of survival decreases by 10%
- What can we do? That is why the Community First Responders were formed - volunteers, trained by NWAS and re-assessed annually- called to potential life threatening situations and carry equipment to help deal with such situations. Quite often all we can offer is T.L.C.
- We are in need of increasing our Team so please give us a ring 01946-861963 or 07841370630 if you are interested.
- Remember every 20 minutes someone in Britain has a Cardiac Arrest and everyone of us at some time in our lives will be totally reliant on someone to help us.
- There are an increasing number of AEDs in public spaces but we are concerned that too many indicate as being out of action. They just need checking on a regular basis. They also need to be registered with NWAS so that if they receive an appropriate 999 call it will show on their system where the nearest AED is situated.

So give us a call Chris Abbot, Team Leader
or contact NWAS on <https://www.nwascf.com>

Notes from Parish Council Meeting (No 343) of Lamplugh Parish Council held on Wednesday 15th September 2021 at 7:00pm in the Kirkland Mission

1. Sandy Roberts, Rob Daghish and Michael Watts sent apologies. Prior to the meeting the Clerk had written to the Chair to let him know that he intended to retire from the position of Clerk by the end of this year (2021). The Chair thanked the Clerk for his work for the parish council over the last 11 years. Initially the parish council will seek to replace the Clerk via an advert with CALC (Cumbria Assoc of Local Councils), perhaps online (Cumbria Crack) and in the next issue of the parish magazine Contact. The Clerk will draw up some details of the role and pass them on to the Chair/Vice Chair. If there is no response by late October the position may be advertised in the local newspaper. It was noted that Ennerdale PC are also looking for a new Clerk, it may be possible that one person would wish to do both jobs. The Clerk will contact Ennerdale PC to discuss. Roger Braithwaite declared an interest in the agenda item relating to the planning application for the Winnah area as his house is close to the site.
2. The main items of correspondence to 15th September 2021 were reviewed by the Chair: it was noted that the updated version of the local plan did not affect Lamplugh (17th October being the last date for sending a response), a note thanking the PC for a grant towards the Kirkland playground had been received, the Over 60s committee which organised a bus trip and Xmas party had decided to cease operating as there was a much reduced need for their services (may start up at some point in the future if there is a perceived need).
3. Public Participation Slot; Arthur Lamb/Gwynneth Everett spoke again about the local government reorganisation where a decision to have two principal authorities had just been made. Copeland BC, Allerdale BC and Carlisle TC would be united into a single authority with elections taking place in 2022 and the amalgamation in 2023. An interim shadow cabinet will be in place during 2022 with elections for councillors also in 2022. Major items are the split or duplication of current County wide roles e.g. Police, Social services and Fire services. Also the number of councillors has not yet been decided, possibly by the number of wards. Arthur agreed to raise the problem with the traffic lights at Fitz Bridge; sometimes they work and sometimes not, one junction entering the system is not even controlled by the lights. Gwynneth noted that the Sports Centre and the Beacon are now fully operational (free entry at the Beacon for locals on some Fridays). Ian Parker

(vicar) noted that the Kirkland mission had been awarded an Eco Bronze medal for its green processes and procedures. They are hoping to be upgraded to a Silver award in the not too distant future.

4. Landscaping; The Clerk and Michael Watts looked at the overgrown hedge at Cross Gates asked local contractors for quotes to carry out the work. One contractor offered to reduce the hedge and trim the sides in exchange for a year's advert in the local parish magazine, Contact. Councillors discussed this offer and unanimously agreed to proceed with this option. The Clerk will communicate the acceptance back to the contractor. It was noted that the landscaping contract will be up for renewal at the end of March 2022 so a new operator should be sought in January 2022 (agenda item for the January meeting).
5. Planning matters; Millfields development—s106 proposals; The proposed change to the s106 was that the developer would place and agreed amount of money (£80k) in an escrow account managed by Copeland BC in lieu of not having to build a village hall. This was agreed by the developer, Lamplugh PC, the Lamplugh village hall committee and Copeland BC representatives. The money would then be transferred directly to the village hall committee once the new building had been erected and was watertight. The parish council has commented on the two retrospective planning applications at Winnah but nothing further has been received.
6. Village hall; the old Village hall (or WI as it was known) has been demolished and blockwork is now in place to begin the new building. It is planned to be completed by the end of March 2022.
7. Highways; the main issue currently is the traffic lights and road subsidence at Fitz Bridge, Arthur Lamb will take this up with CCC Highways. Arthur will keep the parish council posted of any upcoming meetings for the Eskett quarry liaison group and a PC volunteer may then be able to attend. The Clerk noted that this weekend (19th Sept) the Fred Whitton cycling challenge was due to take place, based on road signs but the parish council had not received any notification. There will be 2,500 cyclists passing through Lamplugh and Ennerdale on the Sunday.
8. Parish website; Clerk will upload the recent agendas, minutes.
9. School status; the school is now an Academy and the first Governors meeting has taken place. Pupil numbers are up to 29 from 21 initially. Building work has been completed on the basement/undercroft.

The next meeting will be held at 7pm on the **17th November 2021 in the Kirkland Mission.**

Lamplugh Parish Council members—for 2021-2022.

THE ANNUAL PARISH MEETING
for Parishioners/Electors of Lamplugh Parish
held on Wednesday 1st September 2021
at the Kirkland Mission

Ian McCoy from United Utilities provided an update on the progress of the Thirlmere pipeline and its effect on the local area. All of the work on the pipeline is due to be completed in 2022 and the majority of the land reinstatement will follow in the same year.

Borough councillors (Steven Morgan and Gwynneth Everett) spoke about the Local plan and the timeline for comment. A major change is coming to local government in that borough councils are to be amalgamated; Copeland will join with Allerdale and Carlisle councils in 2023. Election of a shadow council for the three areas will take place in May 2022 prior to the abolishment of Copeland BC.

Date and venue for next meeting; first Wednesday in May 2022 in the New Lamplugh VH, if completed, otherwise Kirkland mission.
